

INS outreach programme at VIT Bhopal
19 August, 2026

INS outreach programme was conducted on 19 August, 2026 at VIT, Bhopal. The INS EC members who attended the programme were Dr. V.K. Manchanda, President INS, Shri O.P. Rai, Treasurer INS, Shri SK Sinha, Shri KTP Balakrishnan, Dr. H. Mishra, Dr. Archana Mishra and Shri AK Sinha. Lectures on the following topics were delivered by the respective speakers:

Sl.No.	Topics	Speaker
1	Atomic Energy Program in India : Journey of seven decades	Dr. V.K. Manchanda
2	Nuclear Reactor Technology	Shri S.K. Sinha
3	Safety culture in Nuclear Facilities	Shri KTP Balakrishnan
4	Nuclear Waste Management – Wealth from Waste	Dr. H. Mishra
5	Nuclear Radiation for sustainable Agriculture and Food	Dr. Archana Mishra
6	From Campus to corporate: Decoding Secret to Guaranteed Success	Shri A.K. Sinha

The programme was well received both the Management and the students. Nearly 200 students attended the programme. Several queries were asked by students both during the lectures as well as during lunch and the end of programme.

A glimpses of the programme can be seen in the photographs given below:
