

**INYAS-INS-NSC One day Workshop**  
**Opportunities in Nuclear Sciences (ONuS-2023)**  
 Nehru Science Centre, Worli, Mumbai, on May 13, 2023

**Nehru Science Centre**  
 (A Unit of National Council of Science Museums)

Organized by  
 Indian National Young Academy of Science (INYAS), Mumbai Chapter  
 In Association with  
 Indian Nuclear Society (INS) and Nehru Science Centre (NSC), Mumbai

**INYAS-INS-NSC workshop on “Opportunities in Nuclear Sciences (ONuS-2023)” is being held on 13<sup>th</sup> May, 2023 at Nehru Science Centre, Worli, Mumbai**

**About INYAS-INS-NSC**

**Indian National Young Academy of Sciences (INYAS)** the only recognized young scientist academy of India was founded by the INSA council in December 2014 with a vision to promote Science education and networking among young scientists at National as well as International level.

**Indian Nuclear Society (INS)** is a registered professional body aims to promote the advancement of nuclear science and the technology together with other sciences & arts and to aid in the integration of the several disciplines constituting Nuclear Science, Engineering and Technology.

**Nehru Science Centre (NSC)** is the largest interactive science centre in India. More than 500 hands-on and interactive science exhibits are installed in the NSC building.

**About ONuS-2023**

To commemorate 25<sup>th</sup> year of National Technology Day (11<sup>th</sup> May), INYAS, in association with INS and NSC, is organising a one day workshop on **“Opportunities in Nuclear Sciences (ONuS-2023)”**

**Organizers :**

Mohit Tyagi, Neetu Jha, Santosh K. Gupta, Vivek Parkar (INYAS)  
 S. Bansal (INS), Manjula Yadav (NSC)

**Scope of ONuS 2023:**

- Advanced research infrastructure and opportunities in DAE institutes
- Nuclear energy: A green energy option
- Nuclear reactors: Gen 1 to Gen 4
- Radioisotope in medicine and Agriculture

**Note:**

- (i) *Participation is by registration only and the audience will be mainly the students of graduate, post-graduate courses and Ph.D. scholars.*
- (ii) *The technical program will encompass invited talks by eminent scientists from across the DAE in the cutting edge research in nuclear medicine, medical physics and opportunities at various DAE centres and area pertaining to scope of ONuS-2023*
